

Productivity Ideas

Here you'll find ideas and articles on helping you be more productive with the tools we have. As Christian's, we are called to bring love to one another and shalom (or peace) to this world. We find in our own lives that this shalom God provides for us is not in our own lives. Many times our technology takes shalom from us.

From Tim Challies and [Do More Better](http://www.challies.com/do-more-better) (2015): Productivity is effectively stewarding my gifts, talents, time, energy, and enthusiasm for the good of others and the glory of God (<http://www.challies.com/do-more-better>).

We'd be anxious to know what you find brings shalom in this world of "busy-ness" and chaos.
